MOVANT: PETROLIA AVENUE LOAN LLC

Docket 12

Courtroom Deputy:

7/5/17 - Amy Martinez, (949)379-2600, has been approved for telephonic appearance on 7/11/17 @ 10am

Tentative Ruling:

Court will not adjudicate ownership of the property in the context of a motion for relief from stay. Debtor does not claim an interest in the property, and debtor is not a party to the litigation. Deny motion on the ground that relief from stay is unnecessary. Automatic stay does not apply based on facts as currently alleged. (Order denying motion should indicate that basis for denial is that stay does not apply. In other words, order denying motion can be drafted in such a way as to function as comfort order.)

Court will not grant relief from stay to permit adjudication of the debtor's interest in property in a nonbankruptcy court, as this court has exclusive jurisdiction over such issues. If anyone would like a judicial finding that the debtor does not have an interest in the property, it will need to commence an adversary proceeding for declaratory relief in this court.

Chapter 7

Plaintiff has filed a notice of inability to prepare joint status report. Where is the declaration required by LBR 7016-1(a)(3) that must be included whenever a party submits a unilateral status report? Why haven't the parties used the mandatory status report form required by LBR 7016-1(a)(2)? When counsel for plaintiff provided a draft status report that did not comply with the Local Bankruptcy Rules, why didn't counsel for the defendant file a unilateral report in compliance with LBR 7016-1(a)(3)?

Impose sanctions of \$150 on counsel for each of the parties. Counsel for the plaintiff is urged to download a current version of the Court's local rules, as he is apparently relying on an outdated version of the rules. He should refer to the Court's website.

As a result, although there is a great deal of alleged information contained in plaintiff's filing, none of it is evidence and it does not address the issues that are supposed to be included in the status report.

Set continued status conference in approximately 30 to 45 days. Parties are to file the required joint status report form not less than two weeks prior to the continued status conference.

Tentative Ruling for March 14, 2017:

Revisit status of action after conclusion of hearing on matter no.101.

Tentative Ruling:

Impose sanctions of \$150 each on counsel for the parties for failing to file a joint status report. How long do the parties think it will take to complete discovery? Is this an appropriate matter to be sent to an early mediation? Hearing required.

12/2/16 -- Court signed scheduling order setting following dates:

Tentative Ruling for March 28, 2017:

status of this matter? Where is the joint status report that should have been filed by May 30, 2017?

Tentative Ruling for July 11, 2017:

The docket reflects that the parties filed a "Stipulation for Entry of Judgment," but it is not on pleading paper and has no caption. The docket also reflects the filing of a notice of lodgment of an order/judgment pursuant to that stipulation, but the order does not appear to have actually been lodged. Filing a notice of lodgment is a separate step from actually lodging the order. Where is the order itself? Unless and until that is lodged (preferably uploaded through the Court's LOU system), the Court cannot sign the order.

Tentative Ruling:

Tentative Ruling for June 13, 2017:

Deny motion for lack of cause shown. Movant has filed a 523 action. Court can hold that in abeyance while movant litigates in state court with Chen and Li. Movant can assert by way of affirmative defense in the state court action that it did nothing wrong and that any wrongful conduct was that of the debtor and not the bank. If and when movant has any liability in the state court action, if there is a theory under which movant believes it may impose that liability on debtor, it can attempt to do so in its adversary proceeding. What is the advantage of granting relief from stay to have debtor's liability litigated in state court when this court will have to examine any findings to ascertain whether any liability is dischargeable anyway?

Final Ruling for June 13, 2017:

Conduct July 11 hearing as a status conference. Tentative Ruling:

4/20/17 -- Court approved stipulation continuing hearing to May 9, 2017 at 2:00 p.m. to be heard concurrently with motion to compel abandonment of property. OFF CALENDAR FOR APRIL 25, 2017.

5/3/17 -- Court approved stipulation continuing hearing to June 27, 2017 at 2:00 p.m. OFF CALENDAR FOR MAY 9, 2017.

Tentative Ruling for June 27, 2017:

Trustee seeks leave to file an amended complaint that will withdraw certain of her claims. There is no conceivable theory under which the defendant would be prejudiced by this action. In fact, it would narrow the scope of the litigation and be tantamount to a partial dismissal of these claims. Grant motion.

It is not appropriate for the defendant to refuse to consent to the amendment because the trustee won't simply agree to dismiss the action in its entirety. Defendant is not acting in good faith in refusing to give this consent and has caused the trustee to incur the expense of bringing a motion that should have been unnecessary.
